

## A New Option

We are the first new large-sized railcar manufacturer in 82 years, where there are only six main competitors in the industry.

**FACILITY:**

**500,000**  
square feet

on 68 acres in Wilmington,  
NC AAR certified facility

**PRODUCTION:**

**8,000**  
cars per year

manufacturing capacity

**RAILCARS:**

**GENERATION NEXT™**

DOT 117 tank cars, along with  
various hoppers, gondolas  
and other tank cars

**BUY AMERICAN COMPLIANT:**

**73%**

of cost of our cars is from  
American suppliers

**A NORTH CAROLINA COMPANY:**

**100%**

of our 200+ employees live  
and work with their families in  
southeastern North Carolina

**CORPORATE CITIZENSHIP:**

Committed to fulfilling basic needs of children in our community through Vertex Outreach Services. In the **first six months of 2016**, 245 employees participated in 17 Vertex Outreach Services events, helping 8,450 people in southeastern North Carolina and donating **\$86,882.**
